FÒGHER

Redefining Outdoor Living

A Symphony of Design and Nature

STEP INTO A WORLD where the outdoors seamlessly merges with the heart of the home. Fògher, the epitome of outdoor living, presents a remarkable collection that transcends traditional boundaries. It is a harmonious union between the artistry of kitchen construction and the splendour of the natural environment it inhabits. Through a masterful interplay of radiant and dark colours, Fògher creates an enchanting game of lights and shadows.

Fògher emerges as a brand that aspires not only to captivate with its aesthetics but also to deliver an extraordinary user experience. Drawing inspiration from Northern European minimalist aesthetics and the renowned craftsmanship of Italy, Fògher crafts outdoor kitchens and cooking systems that embody elegance, sophistication, and superior quality.

A KITCHEN THAT ADAPTS TO THE CHEF

Beyond its exquisite materials and timeless allure, the Fògher outdoor kitchen effortlessly adapts to the needs and desires of its users. The design embodies minimalism and linear elegance, offering a pleasurable and user-friendly experience. With integrated cooking systems that infuse outdoor environments with a unique and refined style, Fògher presents a complete modular kitchen. It invites individuals to embrace their outdoor spaces as an extension of their homes, instilling purpose and meaning to the great outdoors. After all, relationships are often forged around the dining table, and Fògher is the beating heart of this Italian tradition.

At the forefront of the Fògher kitchen stands the ultimate barbecue experience. Available in two versions, with or without the oven lid, this is not your ordinary barbecue. It is a multifunctional system accompanied by a plethora of accessories that can transform your barbecue into a versatile oven, capable of crafting delectable breads, cakes, and pizzas.

Outdoor kitchens and furniture await your discovery

Precision perfection

With expert engineering and meticulous craftsmanship, Sub-Zero & Wolf grills offer precise temperature control for flawless barbequed dishes, featuring versatile cooking techniques from searing to rotisserie. Their grills are made from durable Marine grade stainless steel, available in various sizes, and powered by natural gas or LP. These grills boast industry-leading features such as 10mm stainless steel grates, a smoker box for added flavour, an electric rotisserie, a powerful sear station, a Teppanyaki plate accessory, and a warming rack. Complementary outdoor products including burner modules, outdoor refrigeration, and warming drawers, complete the Sub-Zero & Wolf outdoor cooking experience, providing the same precision control and practicality as their indoor counterparts.

Modular mastery

Atria, the first Abimis kitchen designed for outdoor installation, offers a dynamic and contemporary solution with a stainless-steel heart. It is 100% modular and customisable, catering to diverse requirements for outdoor cooking and al fresco settings. With new container modules, it seamlessly integrates with the kitchen block, providing additional functionality and customisation options. Made of AISI 304 stainless steel, Atria is durable, resistant to corrosion, and easy to clean, making it perfect for year-round outdoor use. For installations near the sea or swimming pools, AISI 316 stainless steel is used for enhanced durability in chlorine and salt air-rich environments.
